DI3200 CRX

## COMFORT. RELIABILITY. AND XTRA ECONOMY.

Here's a vehicle that is tailor made to suit your needs. The All New DI3200 CRX. Its 2.6 ton cargo body is just right for any load your business demands. And while you minimise wastage of precious cargo space, its advanced CRDe engine ensures you maximise profits too. Truly, it's a perfect package.

# CRDe

## The Winning Edge

The engine that powers the DI3200 CRX range runs on the advanced Common Rail Diesel engine technology. CRDe technology ensures that fuel is always stored and injected at a high pressure, which means better combustion and lower wastage. This gives the vehicle its best-in-class mileage and up to 10% better efficiency than the competition.

### ADVANTAGES OF THE CRDe ENGINE.

- Optimum power
- High speed
- High torque
- Great pickup
- Lower maintenance cost
- Low Noise Vibration Harshness (NVH) levels

# Carrying loads is now a pleasure.

- Extra spacious cabin with ample headroom and legroom
- Comfortable steering wheel grip for fatigue-free journeys
- Tilt and telescopic steering for a convenient driving position
- Gear knob with flexibility to switch effortlessly
- Improved heat insulation to keep you cool at all times
- Multi-directional air vents that let you breathe easy
- Provision for music system and speakers
- Lowest Turning Circle Diameter for better maneuverability

## Tailored for daily supplies delivery
